Conference Proceedings

TUESDAY MORNING SESSION

The Miami Conference of the Church of the United Brethren in Christ met in its one hundred and twenty-fifth session in the Middletown United Brethren Church at 10:00 a.m., Tuesday, August 21, 1934.

The presiding Bishop, Dr. A. R. Clippinger, opened the conference with appropriate scripture. Dr. W. I. Underwood led in singing the Doxology. The twenty-third Psalm was recited in unison. Dr. D. T. Gregory led in the invocation. The conference sang "All Hail the Power of Jesus' Name." Rev. J. D. Nisewonder read from John 15.

Bishop A. R. Clippinger spoke on "Closer Fellowship," using as a text Genesis 5:24. "Walking with God is a phrase used for fellowship with God. Enoch walked in fellowship with God through life and then without death on to a closer fellowship. Walking with God is going on with God in a continuing and progressive fellowship toward a perfect triumph of love and of life."

We sang "Close to Thee." Bishop A. R. Clippinger introduced the communion service and read the lesson provided in the Discipline. Rev. J. Assel led in a prayer of consecration. Dr. D. T. Gregory and Rev. E. R. Turner presided at the table and Revs. Harvey Clark, J. P. Hendrix, F. L. Dennis, E. L. Smith, L. M. Hohn, and O. O. Arnold distributed the bread and the cup.

We sang "There'll Be No Dark Valley." Rev. Ivory Zimmerman read the Report of the Committee on Memoirs.

Rev. W. C. Niswonger spoke in tribute to Rev. W. M. VanSickle. As successors of each other, as fellow pastors in Miami Conference for more than forty years and as fellow secretaries Reverend VanSickle and Reverend Niswonger have been closely associated. Reverend Niswonger said in part: "Relations between pastors are better than they used to be. Reverend VanSickle had faith in the conference and in his brethren. He was always courteous to his successor. He was gifted in public prayer. He prayed appropriately and sincerely because he faithfully observed a personal quiet hour. He was a good mission worker; he retired very, very reluctantly."

Rev. Ella Hamilton gave tribute to the memory of Mrs. Lydia McKee, widow of the late Dr. William McKee. She said: "Mrs. McKee was dependable, loyal, sympathetic, cheerful, kind, and trustworthy. Her life was built on faith in God and fidelity to every trust. She lived the love that never failed. She was a woman of Christian culture and charm who grew old beautifully."

Rev. Emerson Bragg led in prayer remembering especially the families and loved friends of these departed ones. The ministers' quartet, Revs. D. T. Gregory, F. L. Dennis, W. I. Underwood, and N. D. Bevis, sang.

The roll was called. The main auditorium was made the bar of the conference. Revs. J. P. Hendrix and M. W. Mumma were named reporters for the newspapers.

TUESDAY AFTERNOON SESSION

The conference opened with singing. Rev. A. S. Wolfe read from Isaiah and led in prayer. The conference sang "Face to Face."

Bishop A. R. Clippinger presented Rev. J. H. Mayne, retired member of the conference, born in 1849, who brought words of testimony and kindly greeting and wholesome counsel.

Rev. Ella Hamilton read the actions recorded in the minutes of the Conference Council of Administration. The report was adopted and actions approved.

Rev. S. E. Rasey read the minutes of the meeting of the Conference Board of Trustees held during the year. These minutes were approved.

Dr. D. T. Gregory distributed and read his annual report as conference superintendent. The report was adopted and recommendations in it were referred to proper committees.

Rev. A. S. Wolfe read the report of the Committee on Candidates for the Ministry. The report was adopted and by this action Earl Winkler, George Oliver, Stanley H. Forkner, W. G. Peck, Phillip Deever, and Cornelius H. O'Brien were admitted to the annual conference.

Bishop A. R. Clippinger named as tellers E. H. Nichols, R. V. Pelton, Ralph Tinsley, H. V. Bear, and Samuel Upton. The ballot was cast for election of the conference superintendent.

Questionnaires in regard to benevolences and the Every Member Canvass were distributed and filled out.

Rev. D. S. Eshelman read report number one of the Committee on Nominations. The report was adopted and ballots were ordered printed.

Rev. E. E. Saul, retired minister, now living near Harrisburg, Pennsylvania, who was pastor of the Middletown church when the present auditorium was erected, was introduced and spoke briefly. He joined Miami Conference fifty years ago. W. C. Niswonger united at the same session. In that year, 1884, there were thirty-three charges in the conference. The total salary was about $16,000 which averaged only a little more than $500 per pastor. The two presiding elders received together $1514. There were five churches in Dayton including Miami Chapel and one of these was a church of colored people. There was no English United Brethren church in Cincinnati, Hamilton or Middletown.

Rev. R. V. Pelton read the report of the tellers on the ballot for superintendent. By this ballot Dr. D. T. Gregory was re-elected as conference superintendent.

Ballot was cast to elect members of the Conference Board of Christian Education.

Rev. L. B. Henry read the report on Publishing Interests. Rev. W. E. Snyder, D.D., editor of the Religious Telescope, spoke on this report and showed the advantage and value of the circulation of the church literature as an aid in the work of the ministry and of the church. He gave Rev. S. F. Daugherty honor as the one minister in Miami Conference who secured during the last year one Telescope subscriber for each ten members of the church. Reverend Daugherty told of his faith in the importance of the Telescope as a newspaper of the church and said the secret of their success was faithful work and loyal folks.

The report on Publishing Interests was approved.

Bishop A. R. Clippinger presented and recommended a number of books for reading and study by the ministers.

Revs. Elias Cross, Harvey Clark, and M. W. Mumma were excused from Thursday morning session.

Revs. Ralph Tinsley and G. R. Jacoby were excused.

The ballot was cast for election of conference officers, List No. 1.

The order of the day was the program on the theme, "Evangelism."

Bishop A. R. Clippinger spoke on "The Evangelistic Zeal of the Fathers." "The Church has always faced a crisis but some times have been specially critical. Out of these great crises have come great awakenings and revivals. The first great Protestant revival was in the time of Wycliffe. Then came the Pietists in Germany and the Wesleyan movement in England. In John Wesley's experience of salvation evangelistic Methodism was born.

"Jonathan Edwards started the first great American revival. Whitefield joined him and out of their preaching came a great awakening. Following the Revolutionary War there was a period of religious decadence and depression. Materialism, atheism, and immorality were rampant. Then from 1802 to 1820 there came a great and deep religious revival, in which the early fathers of the United Brethren Church had a great part. All of the Church was at that time intensely evangelistic. Among the great leaders in this work in our denomination were Bishop Newcomer and Samuel Huber. Every United Brethren minister ought to study the lives, marvelous experiences, and wonderful victories of these pioneer preachers. The United Brethren Church grew out of evangelistic zeal and revival experience. Our first duty is to win souls."

The ministers' quartet sang "Saved by His Grace Alone."

Dr. W. N. Roberts spoke on "The Need and Place of Evangelism in the Present World Order." "Evangelism is making people so aware of God that they surrender to God and live for God and with God. Men will always need God and evangelism. Methods may change but the work must go on. Evangelism today must be all pervasive. It must touch all times and all areas of life. Evangelism must be focused on basic needs of people. It must be charged with genuine spiritual reality. Evangelism to be effective, must be followed by continued growth in Christ-likeness. People grow by what they do. People must be given work and be led to work. Love for folks and faith in God and faithful full surrender to God will open for us the way of effective evangelistic service."

The conference sang "Take Time to be Holy."

Revs. A. B. Cox, A. W. Clutch, W. E. Jones, J. A. Toy, of Southeast Ohio Conference; Dr. W. G. Clippinger, president of Otterbein College, and Mr. E. E. Ullrich, general treasurer, were introduced.

Dr. O. T. Deever, secretary of the Board of Christian Education, spoke on "Evangelism Through Our Educational Agencies." "We have always been evangelistic. Sometimes we have failed to make our work permanent. We have forgotten that Dr. William Philip Otterbein had and maintained an efficient program of Christian education. His church lives yet today. Many United Brethren churches that were alive and successful in spasmodic evangelistic efforts are now dead and gone.

"Every true religious awakening must be preceded by a teaching ministry. Jesus was a teacher and his teaching prepared the way for Pentecost. Education must provide activity and truth for growth in grace and in the knowledge of the Lord. Religious culture and religious appreciation are not gifts but acquirements. One born of God

is a bunch of potentialities. Christian education develops capacity for spiritual life and Christian service.

"Get the new catechism and use it. Secure the new 'Handbook for Evangelism' and follow its program."

These handbooks were presented and sold.

Rev. I. E. Jenkins was excused.

Dr. F. L. Dennis stated that there is available a set of stereopticon slides illustrating Bonebrake Seminary for use on payment of transportation.

Rev. R. V. Pelton read the report of the tellers and by authority of this report the following were declared elected officers of the conference. Recording secretary, O. O. Arnold; statistical secretary, C. W. Snyder; treasurer, C. B. Boda; trustee of Otterbein College, E. H. Nichols; conference trustee, D. A. Puderbaugh.

The conference adjourned with prayer by Rev. G. R. Jacoby.

WEDNESDAY AFTERNOON SESSION

Rev. C. R. Smith read John 15:1-16 and led in prayer.

Miss Mary Myers, of the Liberty Class, sang "Love One Another."

Dr. W. T. Frank, for Mr. O. A. Stutz, of Arcanum, presented plates of peaches to Bishop A. R. Clippinger and Superintendent D. T. Gregory with interesting and kindly remarks. Mr. O. A. Stutz urged preachers to show, and people to see the best side as you should do with peaches. Bishop A. R. Clippinger accepted the peaches with words of appreciation.

Rev. L. G. Ludwick read the report of the Evangelistic Commission. This report recommends personal devotions, family worship, a witnessing pulpit and the faithful living of the truth of the Word. The report was adopted.

Dr. W. E. Snyder, editor of the Religious Telescope, spoke on "A Century of Inspiration Through Our Literature." "The first two thirds of a century of our Church brought our membership to only about 20,000. This was the period without a church paper. In the next one third of a century with a church paper the membership grew to 100,000 and this growth has continued. The paper has added driving power, has helped build the Christian mind; it has promoted stewardship, and the support of every work of the Church. It has builded church unity. It has stood valiantly for temperance, freedom, and world peace; for the eternal moralities and the everlasting faith. The centennial of the Telescope comes in this year of crisis. We must go forward in a new surrender to Christ, a new discovery of sin, and a new vision of God, and a new response to his call. Our God is marching on. We must go on with him."

The congregation sang "What a Friend We Have in Jesus."

Dr. T. C. Harper, pastor of the Circleville United Brethren Church, spoke on "Evangelism, What Is It?" "There has been a dangerous over emphasis on recreation and education. We need a revival of ancient fire on modern altars. We have sought to culture folks rather than to convert them. We must recover evangelistic faith and zeal. Evangelism is putting life into the dead, stirring up the fire. Evangelism is more than the proclaiming of truth, it is winning men to new life. It looks for a new world built by men working for a new goal motivated by a new faith and vision and experience."

Dr. S. G. Ziegler, secretary of the Board of Foreign Missions, spoke on "Evangelism and the World Frontier." "The Christian church stands for and publishes a certain conception of life and philosophy of living. The Evangel is the Good News of this philosophy. It is good news about God, what he is and what he will do for men. Through all unchristian areas of thought there runs today a high tide of

secularism; that man is his own God and his only Savior. The challenge to Christianity today is in secularism, communism, and materialism. There are wars and dangers on the frontiers of life today and our only hope is in Jesus Christ. The cross is more mighty than the cannon. The world needs the message of the Christ. Lift up your eyes; the fields are white with harvest."

We sang "Jesus Calls Us o'er the Tumult."

Bishop A. R. Clippinger presented annual conference credentials to Phillip Deever, Walter Peck, Cornelius O'Brien, George W. Oliver, Earl Winkler, and Stanley Forkner and led in prayer for these young men and others who come into the Christian ministry.

He then made an appeal for the encouragement and assistance of young people in attending college. Otterbein College is extending help to students this year to the amount of $16,000.

Mrs. W. E. Snyder called for a meeting of women to organize a conference Otterbein Home Auxiliary. Dr. W. R. Funk bore testimony to the fine service and fine fellowship of Otterbein Home. Bishop A. R. Clippinger made an earnest appeal for continued and increased giving to the work of the Home. The report on Otterbein Home was adopted.

Revs. Walter Miranda and R. V. Pelton were excused.

A trio from the Willey Memorial Church, Mrs. Ruth Hahn, Mrs. Emma Grace, and Mr. Robert Keckritz, sang "How Long Wilt Thou Forget Me, O God?"

Rev. Clarence S. Smith brought the devotional message speaking in exposition of John 6:1-21. "Jesus satisfies human needs. He is the true passover. He is the Bread of Life, for the sin-starved world. Humanity, weak and hungry for salvation and truth and God, needs Him. Crowds today are shepherdless sheep and he is the Great Shepherd. The multitudes today are as the hungry crowd away from home in the evening on the shores of Galilee.

"If we give him our all as did the boy who had the little loaves and the fishes he will feed the hungry multitudes and our own lives will be enriched through our fellowship with Him in this blessed ministry."

FRIDAY MORNING SESSION

Rev. G. P. Campbell led in singing "How Firm a Foundation." Rev. M. D. Kidwell read John 6:41 and led in prayer.

Bishop A. R. Clippinger made comments on the hymn and we sang "Lead On, O King Eternal." The roll was called.

Bishop A. R. Clippinger expressed appreciation of Dr. W. T. Frank and congratulations to him on his sixty-fifth birthday. He presented to Doctor Frank on behalf of members of the Middletown church a basket of beautiful gladioluses.

Doctor Frank feelingly expressed thanks to the Bishop, the friends of the Middletown church, the conference, and the Lord; his joy and the joy of his wife in memories of Middletown and other pastorates, his gladness in accepting the gift of flowers and in going on in a lighter field of work in his old home community in Darke County. Dr. F. L. Dennis presented the report of the Seminary Commission with which was included a statement of Seminary offerings of the past year by churches which were distributed to the pastors. Dr. J. P. Landis, past president of the Seminary, now ninety years of age, was invited to a seat on the platform.

Dr. A. T. Howard, president of Bonebrake Seminary, spoke on "Problems in Developing a Spiritual Ministry." "The Seminary is constantly emphasizing and striving to live evangelism. We are trying to build that spiritual life that is loyalty to Jesus Christ as Lord of all our lives. It is not easy, folks are not naturally good. New relations, night work, and economic difficulties all enter into the problem of developing a group that is loyal to Christ. The problem has been intensified by the debt of the institution. The action of the General Conference, the work of the Ladies' Auxiliary, and the Cash Day offering which this last year amounted to about $29,000, have been a great help and a great encouragement, but there are still serious lack and great embarrassment. Let us bring in a full benevolence budget so that the Seminary as well as other departments shall have the funds needed to carry on the essential work of the church."

Mrs. Orla Sibilla, president of the Bonebrake Seminary Women's Auxiliary, reported on the purpose and work of this organization. It aims to enlist interested folks to be hospitable to students and to undertake work for the upkeep of the dormitory. Fifteen churches are now represented in the Auxiliary. The ladies earned $482.39 in serving meals for the Miami Conference training school. They have painted the kitchen and are now decorating the dining room. Individuals may enroll as members on payment of 25 cents or organizations for $5.00. Mrs. E. L. Kepler, vice-president of the Auxiliary was introduced. Bishop A. R. Clippinger urged that we help these women in their good work. He commended Mr. D. A. Puderbaugh for his successful effort in providing seats for use in out-door services on the Seminary campus.

The report of the Bonebrake Seminary Commission was adopted. A motion was made and carried that the Bonebrake Seminary Commission of last year be re-elected for the coming year. This commission is F. L. Dennis, W. T. Frank, S. F. Daugherty, E. R. Turner, E. H. Nichols, Earl Zehring, O. A. Stutz, F. B. DeWeese, and Fred Lammers.

Dr. W. N. Roberts read the report of the Conference Board of Christian Education and spoke on the importance of the educational program in our evangelistic endeavor. "Education must be evangelistic and evangelism must be educational."

Short explanatory and hortatory addresses were made by Dr. C. W. Brewbaker, director of Adult work; Rev. H. C. Hahn, director of Young People's work; and Rev. M. D. Kidwell, director of Leadership Training. Reverend Kidwell offered to bring, or send, a Standard Training School into communities if it is desired and a request is sent to him.

The report of the Board of Christian Education was approved.

Dr. J. H. Harris and Rev. George Bowers were introduced and given advisory seats.

The congregation stood and sang "Higher Ground."

Rev. Dale Dutton gave the devotional address on the theme, "The Vision," using as a scripture setting the call of the prophet Isaiah recorded in the sixth chapter of that book. "Uzziah's reign was a time of prosperity but not of vision. The people became rich and immoral and ungodly. His death was the end of an age and the beginning of the service of this great prophet. The call of Isaiah is for us today. Civilization will not be saved by tinkering with the machinery. The trouble is selfishness and the danger is death. We need a vision, we need to see Christ, we need to see Calvary and the man on the cross. We need to see what Christ can do with us and for us. We need to see the Christ-like life; to build an altruistic and cooperative society, we must live that life. We must see and follow him as Savior and victor and Lord."

The conference was dismissed with prayer by Rev. O. L. Barngrover.

FRIDAY AFTERNOON SESSION

We sang "The Rock That is Higher Than I." Rev. Orville Covault read I Corinthians 13, and Rev. W. J. Fox led in prayer.

Evangelistic credentials were presented to Dr. S. F. Daugherty, James A. Robinson, C. E. Hetzler, and Arthur P. Peden, and a certificate of membership in the conference to Rev. J. I. Phillips.

Reverend Dowdell, representative of the No-Tobacco League, was introduced and spoke on "The New Deal and God's Way Out." He showed very graphically the alarming condition in the liquor business and gambling and other immoralities in our country at this time. He

announced his willingness to give an illustrated lecture along this line in any church.

Rev. E. R. Turner read the report of the Policy Committee. The report was adopted. The motion was made and carried that the matter of awards to other winners be referred to the Council of Administration.

The report was adopted.

The matter of what organizations shall be reported as Brotherhoods was referred to the conference director of Adult Work.

Rev. C. B. Boda read his report as conference treasurer, and gave interesting comparisons with last year.

Rev. W. R. Sinks read the report of the Auditing Committee. The report of the Auditing Committee and then the report of the treasurer were approved.

Dr. D. T. Gregory congratulated the conference on the fact that we have carried out our purpose to do better in benevolences this year than last. "We have not yet gone far in the path of sacrifice. We must work and give and pay that we may soon be able to provide more adequately for aged and retired preachers."

Dr. W. N. Roberts introduced Rev. G. Bruce Cameron who spoke as representative of the American Bible Society. "The Bible is the most widely translated, circulated and read book in the world. The Bible Sunday for 1934, which will be December 9, will celebrate the four hundredth anniversary of the translation of the Bible into German by Martin Luther. The society offers to furnish slides for use in local churches at the cost of return postage."

Rev. M. W. Mumma read his report as conference registrar. The report was adopted. A motion was made and carried that Ralph Tinsley be admitted to the itineracy.

Rev. B. F. Petereit read the report of the Resolutions Committee and the report was adopted.

Invitations were extended for the next session of Miami Conference by First Church, and Oak Street Church, of Dayton. By vote of the conference it was decided to hold the 1935 session in the First United Brethren Church of Dayton.

O. O. ARNOLD, Secretary.

Evening Sessions

TUESDAY EVENING

Bishop A. R. Clippinger presided. Rev. N. D. Bevis led in the devotions. The Middletown Choir sang "Send Out the Light."

Greetings were brought to the conference on behalf of the local church by Rev. E. R. Turner, on behalf of Miami Branch by Mrs. W. T. Frank and for the Middletown Ministerial Association by Rev. W. H. Thompson, pastor of the Disciples Church.

Response was made for the conference by Dr. W. T. Frank.

Rev. A. H. Doescher, pastor of the Wayne Avenue Evangelical Church, of Dayton, brought fraternal greetings from the Evangelical denomination. He reminded us of our common and contemporary beginnings. We realize today our common heritage and spirit and need. We should together study each other's church history and present organization and polity to see how much we are alike. We should together unite with Christ in a union with each other that will be a step forward in Christ's plan for closer union among all his followers.

Bishop A. R. Clippinger responded on behalf of the United Brethren Church. He spoke of his own personal happy fellowship with leaders of the Evangelical Church, referred to the matter of economy in a merger as not the most important consideration, and to problems presented in the business of uniting two denominations. He urged as the major value of such union, greater efficiency in service and progress toward the Kingdom of God.

The benediction was by Rev. L. G. Ludwick.

WEDNESDAY EVENING

Rev. J. P. Hendrix presided. Rev. W. K. Messmer read the Scripture and led in prayer. The Middletown ladies' quartet sang.

Dr. W. G. Clippinger, president of Otterbein College, spoke on "The Christian College and Evangelism." The business of the college is primarily education but this education is and has been thoroughly Christian and on a basis of evangelism. The purpose of the college is to build true and living Christian faith. Through the Christian Associations on the campus, the college, church and faculty contacts, there is a constant activity for developing Christian attitude and experience and life.

Doctor Clippinger then showed an interesting film which depicted various phases of life on the Otterbein campus.

Rev. O. O. Arnold spoke on "Building a New World." The marks of the new world that ought to be built, as he named them, were comfort, convenience, beauty, economic security, equitable distribution, joyful work, joyful leisure, scientific education or preparing for life and practical religion. Religion must be the corner stone of this new world and this must be the religion of justice and righteousness and mercy and brotherhood proclaimed by the prophets and preached by Jesus Christ.

The benediction was by Rev. G. W. Duckwall.

THURSDAY EVENING

Dr. D. T. Gregory presided.

Rev. O. E. Gebhart led in singing. Rev. C. E. Fryman read Psalm 24 and Rev. H. C. Hahn led in prayer.

The Orpheus Male Chorus, under the leadership of Prof. O. E. Gebhart, gave a very attractive and effective program of music.

In the inter-district and inter-church contests the Sunday-school award was given to the Greenville district and to the Waterhouse church. The Worship Service award went to the East district and to the Bowlusville church. The first Stewardship award was won by the West Dayton district and was divided among the winning churches of

that district as follows: Euclid Avenue, $15; Fairview, $20; and Fort McKinley, $25. The second Stewardship award went to the North district and to the Beardshear, New Hope, and Harshman churches.

The Orpheus Chorus presented another program of music. Rev D. E. Gillispie closed the session with prayer.

FRIDAY EVENING

The service opened with a prelude played by Mrs. Harold Conn. Mr. H. O. Weisel led the great congregation in singing "Day is Dying in the West." Rev. E. R. Turner led in the invocation. The Middletown Choir sang "Praise Ye the Lord."

Rev. M. W. Mumma read Matthew 12:38-45 and led in prayer. Dr. D. T. Gregory was introduced and Rev. E. R. Turner directed the worship in tithes and offerings.

The ladies' quartet of the Middletown Church, Mrs. Fred Ingle, Mrs. Wm. Hahn, Mrs. Wm. Lockhard, and Mrs. Frank Troutwine, sang "Sing a New Song."

Bishop A. R. Clippinger preached the conference sermon on the theme, "Finding the Way." His text was Isaiah 55:6, 7. "Let the wicked forsake his ways and the unrighteous man his thoughts and let him return unto the Lord, and he will have mercy; and to our God for he will abundantly pardon." In the words of the prophet of old, God speaks to America today. Let the wicked forsake their ways of gambling and drinking and selfish lusts. The way out is to repent and to return to God. The sermon was a strong condemnation of sins and evils that threaten America and a stirring call for repentance and righteousness and religion as the only way out.

The ministers' quartet sang "The Savior My Pilot Will Be."

In ceremony as provided, Bishop A. R. Clippinger, with the assistance of Dr. D. T. Gregory, Dr. F. L. Dennis and Rev. C. R. Smith, ordained as elders of the United Brethren Church, Rev. J. Frank Royer, Rev. Henry Snapp, and Rev. Mary Elizabeth Holcomb Eakins.

Bishop A. R. Clippinger read the report of the Stationing Committee and closed the conference with prayer.

Reports Relating to Conference Administration

SUPERINTENDENT'S REPORT

To the Bishop, pastors, delegates and churchmen here assembled; and to all our fellow-laborers throughout the Miami Conference: "Grace to you and peace from God the Father, and our Lord Jesus Christ, who gave himself for our sins, that He might deliver us out of this present evil world, according to the will of our God and Father: to whom be the glory for ever and ever. Amen."

In submitting this annual report, an effort is made simply to summarize the splendid victories with which God has blessed the united endeavors of pastors and people during the year. Our forefathers planted. We have watered. But from the hand of the Lord has come the increase. To Him be all the glory and praise.

CHURCHES AND DISTRICTS

We began the year with one hundred twelve active churches. During the winter, Utica was added to the list when regular services again were begun in that community. This gives a church enrollment of one hundred thirteen. These churches are grouped into seven districts as indicated in the tabulation below.

Benevolences. This phase of our work has had consideration in and received contributions from every church. We are here today with one hundred per cent registration on this line of our united efforts. Not every church has paid its quota in full, but every church has given something toward the benevolent causes of the denomination.

Church Debts. Cheviot reduced its interest-bearing debt $1000. Euclid Avenue paid off its debt of $5676. New Hope, on the Eaton circuit, completely wiped out its debt and celebrated with a great anniversary. Oakwood paid its organ debt in full which was $2260. Phillipsburg removed the debt item from its books in an offering of $925. Potsdam witnessed the dawn of a new day in the total liquidation of a $3100 debt that had burdened the church for years.

District Rallies. Attendance at the fall and spring rallies was above the average. Our educational leaders are to be commended for the splendid programs and helpful inspiration brought to hundreds of our people by way of these district gatherings.

Missionary Convention. The great assembly of missionary workers at Oak Street Church in April was an example of what organized and united effort can accomplish. We are indebted to these noble women for much valuable missionary information from year to year. Every church in the conference ought to be represented in this splendid organization, either by chapter or local, or both.

Parsonages. Mt. Healthy and Sulphur Grove are building beautiful, modern homes for their pastors, thus bringing greater comfort and efficiency to their minister-servants. We commend both churches for this endeavor.

Soul Winning. All else must eventually fail unless we can keep the altars aglow with this divine passion. Reports indicate 1268 conversions and 1057 received into the church on confession of faith. These are indicative of a spiritual fervor that must prevail more and more everywhere. Congratulations to every pastor and church that had a part in the glorious victory represented by these 1268 souls won to Christ during the year.

Other attainments realized by these one hundred thirteen churches are set forth in the following district tabulations:

Average attendance of resident membership in morning worship was thirty-nine per cent; at evening worship, twenty-four per cent; at Sunday school it was fifty-nine per cent of enrollment.

Of our benevolence quota we paid 48 per cent. By a bit of figuring you can ascertain how your church or district compares with the conference percentages.

OUR MINISTERS

Eighty-one ministers have been required in the work of the conference. Fourteen of these have been students who served as part time pastors. All have rendered splendid service during the year. To them much credit is due for what has been accomplished in spiritual advancement among our people. They have been capable and sincere leaders.

Resignations and Appointments. Rev. W. H. Sinks resigned as pastor at Williamsburg, and was appointed to the Caylor-Abbottsville-Potsdam charge.

Rev. J. C. Goodrich was appointed to the Williamsburg-Bloom Rose-Moores Fork charge.

Rev. Bryan Green was appointed as pastor at Castine after the separation of that church from the Eldorado circuit.

Rev. Wilbur Williams resigned from the Waterhouse-Rose Hill field, and Rev. C. H. O'Brien was appointed to complete the year's work.

Rev. Edgar Griffith asked to be relieved of his duties at the Antioch-Pyrmont charge, and Robert Copeland was appointed as his successor.

Sickness and Sorrow. Mrs. Stockslager has been confined to her room and much of the time to her bed with impaired health and failing strength. Our hearts have lingered close to her and Brother Stockslager across the months, as we yearned for her recovery.

Rev. W. C. Andreas suffered a crippled knee and was handicapped in his work for several weeks as a result of an accident. We are happy that he is able to be at his post of duty again.

Rev. A. C. Witham was compelled to undergo a very critical operation at the Good Samaritan Hospital, in Dayton, but now is much improved and has every hope of completely restored health. Let us remember him in prayer these days of his intense wishing that he might be with us.

Sorrow came to the homes of Rev. and Mrs. N. D. Bevis and Rev. and Mrs. J. D. Nisewonder, when a daughter in each family answered the eternal roll call and slipped out from our earthly fellowship. Our hearts have been and are now with these noble souls in their hours of heartache and pain. May God be kind and tender to them today, as we are sure He will.

Waiting Beyond the Veil. Rev. W. H. VanSickle, one of our beloved and retired fellow-ministers, yielded to an attack of pneumonia and laid aside his earthly mantle on June 1, 1934. Services were conducted in the Vandalia church with the pastor in charge.

Mrs. Lydia McKee, widow of the late Dr. William McKee, closed her long life in the temple of clay and moved out to be with her Lord on June 20, 1934. Services were conducted at the home, in Dayton, by Bishop A. R. Clippinger and Drs. J. P. Landis and A. W. Drury.

These noble souls have not gone far away. They simply have joined the hosts of God's redeemed just beyond the veil where we shall meet them in the morning. For their loved ones we breathe a prayer that heavenly assurance and peace may come to every heart.

Quarterly Licentiates. Licenses were voted or renewed by quarterly conferences to the following young men: Sylvester Johns, Cherry Grove; Walter Peck, Pleasant Ridge; Stanley Forkner, George Oliver, Earl Winkler, High Street; Herman Bozey, Otterbein, Dayton; John Harvey, Piqua; Phillip Deever, Fairview; Lorin Surface, Jr., First Church; and C. H. O'Brien, Greenville; Clarence Kimmel, Euclid Ave.

A PERSONAL WORD

The calls, committee sessions, correspondence, travel, and other duties incident to the work during the year have required a total of six hundred ten hours or just about two months' time (allowing ten hours for a day).

Throughout the year the district leaders have given careful and diligent leadership to the work in their respective districts. An increasing appreciation has been felt toward these men as they went forward.

Contacts with trustees, other members of the Council of Administration, pastors, and interested laymen have registered their benediction to soul and heart.

Bishop A. R. Clippinger has been a ready and helpful counselor. Dr. J. B. Showers again has encouraged us toward new endeavors with the award of fifty Sanctuary Hymnals. The Conference Board of Christian Education has continued the helping hand of inspiration by way of fifty Sunday-school Hymnals as an award. Miss Ella Hamilton has served faithfully as secretary of our Council. Mrs. Gregory has stood by many nights until a late hour in the work. The noble laymen of my local parish and those of our district leaders have cooperated in a remarkable manner. Brother Boda, our treasurer, has been painstaking in helping with reports.

To all these, and to all others who have lent a helping hand, the sincere gratitude of heart and mind is hereby expressed.

RECOMMENDATIONS

1. That evangelism, in keeping with the denominational program, have a major emphasis in all phases of our work during the year. In seeking to realize this, the following suggestions are offered as a guide:

(a) Pastors conduct a heart-to-heart discussion class with Sunday-school teachers and officers, and other workers, centered around a re-thinking of our faith and the why of our being Christians.

(b) A study of the little book, "Handbook on Evangelism."

(c) An accurate and complete survey of the field for each church.

(d) Proper cultivation of the constituency rightfully belonging to our churches for spiritual guidance.

(e) An adequately and carefully planned program in the Sunday school and all other organizations by means of which the call of Christ will be laid upon the hearts of folk.

(f) A well-planned program for giving instruction to all who are received into church fellowship.

(g) Worship services that will help our people to forget the distracting cares of the week and get their hearts fixed upon the love of God as expressed to us in the gift of His Son.

2. That the benevolence phase of our work, apart from which all else must fail or be indefinitely retarded, has our united and diligent consideration. Toward this, the following steps are suggested:

(a) An Every Member Canvass or some similar plan for getting our people informed about the living issues dependent upon our weekly contributions.

(b) Observance of the special periods designated by the General Conference for promotional purposes.

(c) Regular monthly remittance by every church to the conference treasurer as our standard.

(d) Aim toward a quarterly check-up with plans to bring every district to a goal above that of the previous year.

3. That our fall rallies be given due emphasis and the largest possible attendance of our workers be enlisted.

4. That items 4, 5, 6, and 7 in our last year's recommendations be continued as objectives again this year.

D. T. GREGORY.

COUNCIL OF ADMINISTRATION

Summary of Yearly Minutes

The year just closed records the following dates for the Conference Council sessions—September 18, 1933; December 11, 1933; March 12, 1934, and June 14, 1934.

Many and varied were the problems confronting the members of the Council. Vision and courage on the part of our leaders carried far in the solution of these problems.

In these four sessions we note the following items considered, which on motion, duly supported, were voted:

1. That Mrs. J. B. Showers be given the fullest cooperation on the part of district leaders in disseminating plans for a rather aggressive plan of organization being promoted in the Branch Women's Missionary Association, since the weaker churches are the problem in organization work.

2. That the comprehensive program of activities planned and presented by Dr. W. N. Roberts, president of the Board of Christian Education, and his helpers, be carried out.

3. That aid from our Educational Fund be granted Edward Niswander, William Messmer, and Bryan Green, all of whom are in school this year.

4. That Potsdam be transferred to the Greenville district.

5. That Caylor-Abbottsville and Potsdam be constituted a circuit.

6. That our Every Member Canvass be made as complete as possible, and at a very early date, in order that we may have undesignated funds of sufficient amount for giving proper care to our general work of the denomination.

7. That definite organization be effected in every local church for giving proper information and inspiration to the Seminary Cash Day program and the offering to be received on October 15.

8. That Miami Conference, on recommendation of her Seminary Commission, borrow $3000 and advance to Bonebrake Seminary as a designated gift to be applied on salaries of professors of that institution, with the provision that the loan be refunded from Seminary Cash Day receipts of this conference year.

9. That our fall rallies or institutes have most careful attention and emphasis all along the line, and that every pastor be urged to be present for the entire day.

10. That the matter of boundaries as affecting Castine and the Eldorado charge be left to the discretion of the Bishop, superintendent and district leaders concerned.

11. That the reports on attendance for districts be arranged in the order as the churches are given on the attached sheets (see report), and that the listing of the same in the Messenger be placed in this order. And that every pastor be required to keep a record of these attendances and turn in same to the district leader promptly following the last Sunday of each month.

12. That quarterly reports be sent to the district leader immediately following the close of November, and the summarized reports of districts be sent to the superintendent by December 5.

13. That our quotas, as corrected in the Cincinnati district, and as set up for all other districts have our careful attention toward their fullest possible realization.

14. That we publish our own blanks for pastors' quarterly reports.

15. That the conference superintendent appoint a Board of Publication for the Miami Messenger—the following persons being named later: Doctor Gregory, conference superintendent; Dr. W. N. Roberts, president Board of Christian Education; Rev. J. P. Hendrix, general director of Christian Education for the conference; Doctor Dennis, chairman, Seminary Commission; and Rev. O. O. Arnold, director of Adult Work in the conference.

16. That the Board of Christian Education promote the observance of Christian Education Day in all the churches of the conference, with an offering to be taken in each church.

17. That Miami Conference take five per cent of the general benevolence quota as our goal for this special offering to Otterbein College.

18. That the list of persons named by Doctor Roberts from his Board, the district leaders not already included, and the trustees of the college elected from the conference (not thus included), be the delegates from our conference to the January meeting of Christian leaders to be held at Westerville.

19. That Reverend Channon be recommended to the Board of Christian Education for a loan on school funds.

20. That Rev. Calvin McNelly be granted $100.

21. That since Reverend Boda's telephone is used for church purposes, the same be paid out of conference funds.

22. That the matter of an appropriation for Reverend Eshelman be referred to the Conference Trustees.

23. That we favor the continuation of Treasurer Ullrich's reports in the Telescope, with the necessary explanation to get the figures clearly before our people.

24. (a) That we approve the accomplishment of the Conference Trustees in re-establishing Sunday school and worship services in the Utica church for that community; and that the appropriation of financial aid by the trustees toward the promotion of this work have our endorsement.

(b) That in keeping with our Discipline, "This school shall be known as the United Brethren Sunday Church School of Utica."

(c) That a membership roll be procured for the church at an early date, and the names of those persons who desire to be registered as members of the United Brethren Church be entered therein, as per the Discipline, page 27, paragraph 1.

25. That the Policy Committee for Miami Conference and the Board of Christian Education work jointly on the plan as suggested in Doctor Robert's report (see report) on Conference Program of activities in Christian Education for next year.

26. That there be a prompt and thorough check-up, after Easter, to ascertain our attainments.

27. That the conference treasurer leave the books open until after Easter, thus including the report of Easter Day offerings.

28. That the Messenger be delayed a week in order that all reports be included in the next issue.

29. That there be a bringing together in three groups of all our pastors, officers and leaders of organizations, Sunday-school teachers and stewards for the purpose of a helpful study of our endeavors and our accomplishments and opportunities.

30. That June 24 be made a Cash Day when all funds are to be brought up to date.

31. That district leaders furnish Easter envelopes for all pastors wanting them.

32. That the matter of repairs for the Harshman church building be referred to the conference trustees.

33. That our date for the opening of annual conference be August 21, beginning at 10:00 a.m., and that we close with the Friday evening session which is to open at 7:00 o'clock.

34. That we look with favor on a joint session of the four Conference Councils of the state.

35. That we convey to the National Cash Register our thanks for the use of their school house for the Otterbein Glee Club Concert.

36. That appropriations be granted as follows: Reverends Eshelman and Brill each $25, and Reverends Furstenberger and Goodrich each $15.

37. That Utica church be a part of the Southeast Dayton district.

38. That Edward Niswander be granted a gift of $50 to be taken from the twenty per cent Education Dayton offering.

39. That the Bishop, superintendent, and district leaders be asked to get together for the study of boundaries and any possible changes in same—if possible do this at the time of the Summer Training School at the Seminary.

40. That Doctor Gregory be asked to find figures for increased percentages on designated gifts.

41. That we approve, as a tentative figure, the conference superintendent's recommendation as to certain churches, because of large gifts to the Seminary and missionary support, being permitted to raise the percentage of their total giving on benevolences. If the conference designated gifts do not exceed thirty-three and one-third per cent the slate be wiped clear even though these and other churches exceed their quota, but if our conference must scale down the amounts designated that those churches that have exceeded their allowances be the only ones scaled down.

42. That the West Dayton district seek to realize seventy-five per cent of the quota as a yearly objective by conference time. This would mean $12,033 as compared with the $11,728 of last year.

43. That Cincinnati and Southeast Dayton districts aim at fifty per cent or more, which will give them a bit above last year's figures.

44. That the other districts seek to realize a percentage that will bring them to a margin above last year's record.

45. That every district highly resolve that nothing shall be required from any other district for the purpose of overcoming a decrease in its receipts for the year, as we unitedly seek to keep our standard adopted for ourselves last fall in the annual assembly, when we stood as pastors and delegates and prayerfully set ourselves to the challenge of surpassing our last year's receipts for benevolences. That district leaders, pastors, and laymen get together and unitedly plan in each district methods and a definite program for reaching and maintaining our standard which was established in prayerful and solemn thinking.

E. F. HAMILTON, Secretary.

That the Sulphur Grove Church be authorized to build a new parsonage on a lot adjacent to the church; and that they be allowed to obtain a loan not to exceed $3,000 by the giving of a mortgage on the property; and that the old parsonage be sold to the best advantage, and the proceeds be applied on the new enterprise; also that as much labor as possible be donated; and that the plans for the building be submitted to the trustees for approval.

That the Harshman church be asked to hold up their improvements on their church building until another conference year.

That the promise to give $200 to the Potsdam church, to be applied on their church debt on condition that their entire debt be raised, which was secured from the trustees by phone, be ratified.

That Bishop A. R. Clippinger and D. T. Gregory be authorized to obtain a loan of $200 from Winters National Bank and Trust Co., or elsewhere.

That D. A. Puderbaugh be authorized to bring to the trustees figures concerning the cost of insuring individuals in local churches to secure debts of the churches.

That the committee on the sale of the Brock church, consisting of D. A. Puderbaugh and W. T. Frank, be continued.

That the trustees of Miami Conference approve the plans of the Sulphur Grove church to borrow $3500 for the purpose of building a brick parsonage. A previous motion had authorized the borrowing of $3000. This was changed to $3500. The trustees, however, advised a delay of a few months, and that in the meantime one year subscriptions be taken to the amount of $750.

D. T. GREGORY, President. S. E. RASEY, Secretary.

MINUTES OF BOARD OF PUBLICATION OF MIAMI MESSENGER

Motion was made by Doctor Gregory, seconded by Reverend Arnold and carried, that the salary of the editor for the coming year be $300.

The editor was instructed to investigate the possibility of reducing the cost of publication and to report any such possibility to the Board.

It was agreed that the fall campaign with special subscription price of twenty-five cents be continued for the coming year.

F. L. DENNIS, Chairman. O. O. ARNOLD, Secretary.

REPORT OF COMMITTEE ON PASTORS' REPORTS AND RECORDS

We, your Committee on Pastors' Reports and Records, have carefully examined and audited the successors' records.

We wish to commend the pastors upon the very fine reports and records presented to conference; all save the record of one church balanced exactly with the statistical records of Reverend Snyder. That church happens to be one of the new churches coming into the conference and no record was given at the beginning of the year.

Many of the records include everything in our recommendations of one year ago and much other valuable information, example: A list of names and addresses of people interested in the services of the church but not yet members.

There are yet a few pastors who submitted records without the

addresses of members, and one Dayton pastor had his addresses just marked Dayton, Ohio, which we believe would make it extremely difficult for a new minister on the field.

The books of Liberty and Otterbein Home were not in the hands of the committee.

We submit the following recommendations:

1. Successors' records be typewritten if possible.
2. Names to be numbered consecutively.
3. Successors' records as per Discipline be used.

EMERSON BRAGG, RALPH TINSLEY, R. B. DITMYER,
Committee.

REPORT OF AUDITING COMMITTEE

We, your Auditing Committee, have examined the books of C. B. Boda, M. W. Mumma, L. M. Hohn, M. B. Klepinger and O. O. Arnold and have found same correct in every detail.

Respectfully submitted,
WALTER SINKS, Secretary. HARVEY C. HAHN,
Committee.

REPORT OF THE CONFERENCE BOARD OF CHRISTIAN EDUCATION

"Others have labored and we have entered into their labors." How profoundly grateful we are to God for all our heritages of Christian education. Our predecessors are all those who have taught people to know and love and serve God and led them into growth into ever enlarging Christ-likeness. To God be all the praise for the foundations which have been laid.

Summary of the Past Year's Activities

Following the reorganization of the educational work of the conference a year ago, the Board had its first regular meeting soon after the close of conference. There, a program of activities in Christian education was worked out and adopted. This program was promoted especially in the fall rallies.

The adult division was unusually successful in promoting attendance at the National Adult Convention. Miami Conference had two hundred delegates at that important gathering. The Youth Division did splendid work in promoting work among young people through the year. They reached several churches where valued assistance in Young People's work was given. Twenty-one new Young People's Societies were organized during the year. Our director of children's work goes quietly and modestly about her work, inspiring leaders of children here and there to improve the quality of their work among children, urging also the prime importance of more adequate preparation for their tasks. Leadership training has been principally promoted through personal messages by the director. Some churches have conducted classes of their own. Many more have cooperated with community training schools, which we most heartily favor and encourage.

One new feature of our work was the spring rallies, for which we are thankful to Doctor Gregory, who suggested and so wisely helped to plan them. Those spring rallies were largely responsible for our splendid attendance at both our training schools, the one at Bonebrake and the one at Otterbein. Here let me pay high tribute to pastors and churches of the conference who so wholeheartedly cooperated. A splendid group of ministers attended the school at Bonebrake. The ministers' group averaged about thirty in daily attendance. That was most commendable. We register here an honor roll of churches and the number of delegates they sent to the Conference Leadership Training School at Bonebrake Seminary.

Batavia, 4; Cherry Grove, 3; Cheviot, 3; Cincinnati First, 3; Cincinnati Second, 2; Clifton, 1; Clough, 2; Bevis, 2; Mt. Airy, 4; Newport, 5; Norris Memorial, 3; Germantown, 5; Hamilton First, 3; Hamilton Ninth Street, 9; Middletown, 3; New Haven, 2; East Dayton, 3; Lockington, 2; Oak Street, 3; Sulphur Grove, 2; Harshman, 3; Vandalia, 3; Beavertown, 3; Belmont, 3; Columbus Avenue, 2; Bowlusville, 2; High Street, 1; Otterbein, Dayton, 5; Lagonda, 2; Rosewood, 4; Xenia, 3; Euclid Avenue, 8; Fairview, 2; First Church, Dayton, 8; Ft. McKinley, 11; Liberty, 4; Miami Chapel, 1; Residence Park, 3; Antioch, 1; Brookville, 4, Clayton, 3; Yankeetown, 2; Lewisburg, 2; Phillipsburg, 1; Arcanum, 13; Greenville, 26; Abbottsville, 3; Caylor Chapel, 1; Potsdam, 1; Ithaca, 3; Verona, 3; Nashville, 1; Weaver Station, 2; New Madison, 4; Savona, 3; Union City, 9; Waterhouse, 7; Rose Hill, 2; East Zion Reformed, 1.

The total number of registered delegates was 222, the largest in the history of this work.

Our Otterbein Leadership Training School also had the largest attendance ever, reaching a total of 127. Miami Conference sent 53 of these. The following are the churches and the number of delegates which they sent. Brookville, 1; Belmont, 11; East Dayton, 1; Euclid Avenue, 7; Fairview, 8; First Church, 8; Ft. McKinley, 7; Hartford Street, 1; Oakwood, 2; Otterbein, Dayton, 1; Germantown, 1; Hamilton Ninth Street, 1; Lagonda, 2; Vandalia, 2.

As a Board, we deeply appreciate the splendid cooperation of the pastors of Miami Conference. We do crave, however, that every church of the conference avail itself of these resources of helpfulness. After all, everything depends on leadership. We will not rise above the leadership in our churches. This is our most strategic task and most imperative work in all our churches—building strong, stalwart Christian leaders in our church.

The Young People's Anniversary Day offering came to $494.48 this year as compared to $127.46 of a year ago. The Children's Day offering came to $437.69 as compared to $259.44. This marks a splendid gain.

Organization for 1934-35

The membership of the Board of Education as per your conference choice by ballot remains the same for the coming year as it was in the past year. We regret to lose the splendid, capable and versatile leadership of Rev. O. O. Arnold as director of Adult Work. His multitudinous duties prompted him to ask to be released. The election of Rev. J. P. Hendrix as editor of the Miami Messenger necessitated his relinquishing his duties as general director. These two princely men have rendered valued, long and pioneer service to the cause of Christian Education in the conference. Let no one fail to deeply appreciate their sacrificial services extending over the years. We know they will do all within their power, in the capacities in which they now labor, to foster this cause which means so much in laying the foundation of a strong and stable denomination.

The newly elected officials of the Board are: W. N. Roberts, president and general director; Miss Janet Gilbert, vice-president; Prof. H. T. Boda, secretary; Rev. M. B. Klepinger, treasurer.

The divisional directors are as follows: Adult director, Dr. C. W. Brewbaker; young people's director, Rev. Harvey Hahn; children's director, Mrs. Will Hopkins; director of leadership training, Rev. M. D. Kidwell. We are grateful for the willingness of these divisional directors to serve and have every confidence in their unusual abilities to serve the most pressing and basic Christian education needs of the churches of the conference.

Principles and Objectives

It is the major task of the educational agencies of the conference to help make the entire program of the conference and every local church

soundly and effectively educational. Christian education is not a special function which can be assigned (or sidetracked) by the church to a special agency; it is a method and viewpoint in accordance with which the conference and every local church should undertake its total task. Its major objective is "helping people grow into larger Christ-likeness" and thus to more largely establish the Kingdom of God in human hearts and all human relationships.

Perspective and Emphases

This quadrennium our church is emphasizing "Evangelism." Our first year (1933-34) was "Evangelism through Christian Education and Stewardship." Second year (1934-35) "Evangelism." Third year, (1935-36), "Evangelism Through Missions and Stewardship." Fourth year, (1936-37), "Evangelism Through Christian Social Service." To be truly consistent and constructive our emphasis of one year must undergird and uphold all the emphases of other years. It is perfectly possible to fail here and make the emphasis of one year absolutely undermine the emphasis of other years. Vigorously and uncompromisingly must we work to have a truly educational evangelism and a warmhearted, fervent, evangelistic education.

We submit herewith our recommended program of activities in Christian Education for the local churches of this conference for the coming year. This program has been officially approved by the Conference Council of Administration and now becomes the **Conference Program of Christian Education.** We recommend it to every church as a guide.

Respectfully submitted,
WALTER N. ROBERTS.

REPORT OF EVANGELISTIC COMMISSION

We, your Commission on Evangelism, beg to submit the following:

1. We recommend that especial emphasis from pulpit and pew be placed on the quiet hour period for meditation and prayer to be observed daily in each Christian home, remembering that for the daily tasks of life there must be first of all the daily strength for the task.
2. That wherever possible, the family altar be established that the family may bow together in adoration and praise.
3. That every pulpit be distinctly a witnessing pulpit, declaring the unsearchable riches of truth as it may be found only in a rich and full personal experience.
4. That the official roster of the church witness to the fact that the church has first place and that all human organizations take a secondary place.
5. That the members of the church be so rooted and grounded in faith that their daily living becomes a burning testimony to the power of God to save and keep.
6. That while the annual revival has been a mighty power in the church and should be continued wherever needed, let us not forget

the perennial revival, remembering the Lord added daily to the church the saved ones.

7. That we hold firmly to the program of Jesus, remembering that he gave the church but one thing to do and that was to declare the glad tidings of great joy to every creature, nothing more and nothing less.

8. That we maintain, at all times, a proper ethical standard; any disciple of our Lord will not only refrain from doing wrong, but will live the positive life of goodness. Jesus did not lay down prohibitions to regulate our conduct; He gave us the Golden Rule and the law of love; no man can witness to the fact that God is love, that the essence of religion is love, until he himself is motivated by love in all his dealings with his fellow men.

9. That we make use of the Handbook on Evangelism, as prepared by our Board of Bishops, as a book to be studied in our churches during the coming conference year.

10. That the committee further recommend that the subject of Evangelism be given a place in the fall rallies and that the pastors, together with the district leaders, superintendent and Bishop, formulate a workable plan for each church and charge. And that each pastor study diligently the subject of Evangelism, that he may be prepared to discuss methods relative to the program of Evangelism.

E. C. PETRY, Chairman.

REPORT OF BONEBRAKE SEMINARY COMMISSION

We, your Conference Commission on Bonebrake Theological Seminary, beg leave to submit the following report and recommendations:

With the full support of our presiding Bishop and the conference superintendent, we sought to secure conference-wide cooperation in promoting Seminary Cash Day last fall. We are gratified to be able to report offerings received by the conference treasurer from one hundred seven or the one hundred twelve churches of the conference. Two of the five churches not credited with reports lifted the offering. That of Union Chapel was incorrectly designated to another cause and was so used many months ago. The offering from Beavertown is promised for entry before the close of books, August 30. Thus it appears that only three churches failed to lift an offering: viz., Bloom Rose, Cincinnati district, and Brown's Run and Otterbein Home in the Middletown district.

While the response has been more general, the total offering is considerably below that of one year ago.

Considering the commendable progress in debt reduction now being made at the Seminary, and considering the fact that the Seminary Cash Day offering applies on our local church and conference budgets, be it resolved:

1. That we observe Seminary Cash Day on October 14, 1934, or as near that date as possible.

2. That we set a conference goal of $5,750 which is ten per cent of our conference benevolence quota, and that each church be urged to raise at least ten per cent of its benevolence quota in the offering.

3. That we encourage the women of our churches to organize chapters of "The Bonebrake Seminary Auxiliary."

4. That we intensify our efforts to secure a response this year from the last church in the conference.

5. That district leaders encourage local churches to use the Seminary stereopticon slides. Arrangements should be made through Professor W. I. Roush, Bonebrake Seminary, Dayton, Ohio.

Respectively submitted,

FRED L. DENNIS, Chairman, E. H. NICHOLS, Secretary.

REPORT OF THE MIAMI CONFERENCE TRUSTEES OF OTTERBEIN COLLEGE

We believe that the church-supported college holds a vital place in the program of the church. For centuries the church was the chief promoter of higher education. More recently the state has entered this field. To-day nearly all of our states are well supplied with tax-supported colleges. This situation gives rise to the question whether there still remains a field for the church college. Not only are the prominent leaders of our own and other denominations agreed that there still remains a real field for the Christian college, but prominent educational leaders, not definitely engaged in the promotion of the church, have voiced similar opinions.

The church college offers an exceptional opportunity for young people who wish to take the course in liberal arts. It usually has a smaller student body with smaller classes, permitting more direct contact with the professors and providing the opportunity for a more careful consideration of personal problems. Most important of all is the atmosphere of culture and the moral and spiritual influence of the Christian college. A young man who had spent two years in a state university and came to Otterbein to complete his college course, remarked about the great contrast in the conduct of the students, saying that he felt as though he had come into the midst of a select group. Furthermore, the church must look to the church college rather than to the state institutions for its college trained ministry. These are a few of the vital reasons why we as pastors, parents and alumni should encourage our young people to attend Otterbein College.

It is very interesting to notice that out of a student enrollment last year of three hundred sixty-four, two hundred twenty-nine were members of United Brethren churches; one hundred twenty-six belonged to other churches and only nine were not affiliated with any church. This means that practically one-third of the students at Otterbein are from other than United Brethren homes. Evidently, people of other denominations appreciate Otterbein College. Would we not do well to give her a still higher place in our esteem?

Because of the vital relation of Otterbein College to the church, in addition to encouraging our young people to attend there, we should give careful consideration to her financial needs. The students' tuition and other fees pay considerably less than one-half of the cost of their education. The remainder of this cost is met from the income on endowment, from the college's share of benevolences and from special gifts and offerings. The income from endowment has greatly decreased since the depression, as has the income from benevolences and special gifts. Last year the student fees amounted to $46,000, the endowment income was $49,500, while Otterbein's share of church benevolences amounted to only $3,189. The benevolence allotment to Otterbein by act of General Conference was $12,000. This means that we have contributed only about one-fourth of our quota. In other words we have fallen behind to the extent of nearly $9,000 on a total of $12,000. The college was authorized by the General Conference to solicit special gifts and offerings to help make up its quota. Last year the cooperating conferences took a special Education Day offering for Otterbein, which amounted to $2,190. But even with this special offering and other special gifts, the total giving of these nine conferences to Otterbein was less than $6,000 or one-half the quota.

As a result of this situation the college has been forced to retrench by cutting salaries, reducing the instructional force and economizing to the point where it threatens to impair the efficiency of the college. In spite of this retrenchment last year closed with a deficit of more than $7,000.

In order to help relieve this situation we are asked to contribute an average of 5c a member in the special Education Day offering. This means only $1,350 for our conference. Let us not fail to observe

Education Day, when that day comes in our church program, and let us endeavor to raise our full quota in this special offering. Shall we as laymen, pastors and conference officials prove our loyalty to Otterbein College by recommending our own college to our young people and by helping to raise our full quota in the special Education Day offering?

Reports Relating to Personnel

REPORT OF COMMITTEE ON MEMOIRS

William M. VanSickle was born in Pike County, Indiana, July 7, 1854. He received his education in the public schools and Hartsville College, Indiana. He chose teaching as his profession and succeeded so well that he was soon elected superintendent of schools of Pike County, which position he held for ten years. During this time he was converted to Christianity. His call to the ministry came a little later. Over fifty years ago he was granted his quarterly conference license. For a time he continued teaching and gave his evenings to evangelistic preaching.

December 4, 1879, he was united in marriage to Marjorie Harris. This union was blessed with four children: Frank O., Gertrude, Lotha, and Veda. Gertrude and Veda died while in the bloom of life.

Brother VanSickle moved to Dayton, Ohio, in 1887, where he entered the Seminary, graduating in 1890, and was ordained the following fall. While in the Seminary he served the East Chicago charge, in the East Ohio Conference.

He entered Miami Conference in 1889 and served the following churches: Aley, Wagner, Miltonville, Springboro, Pleasant Hill, New Hope, Lewisburg, Arcanum, Miami Chapel, Hartford Street, Olivet, Belmont, Germantown, Home Avenue, Greenville, Clifton, and Vandalia.

While pastor at Lewisburg, his devoted wife passed to her reward; and when pastor at Miami Chapel, he was united in marriage to Clara Belle Olwine. As pastor's wife she labored many years most efficiently in the children's department. She too was called to an early reward. When pastor at Vandalia he was married to Mrs. Susan Harnish who was also a noble companion and gave much comfort in his declining years.

Brother VanSickle gave a long and able service to Miami Conference. He was loyal, capable, consecrated, evangelistic, a good pastor and preacher. He served on many important committees and assignments of the conference, the most important of which was that of secretary of the conference for a number of years. When health permitted he was active in the work during his years of retirement at Vandalia.

He passed to his reward June 1, 1934, at the age of seventy-nine years, ten months and 24 days. Those surviving are his devoted companion, one son, Frank O. VanSickle, Cardington, Ohio, one daughter, Mrs. Geo. E. Nicholas, Dayton, Ohio, ten grandchildren, two great grandchildren, and a host of friends.

Appropriate funeral services were conducted at Vandalia under the direction of his pastor, Rev. E. D. Bragg; sermon by Rev. L. M. Hohn, assisted by Doctor Gregory, Doctor Dennis, and Doctor Hough.

Interment at Abbottsville Cemetery.

Mrs. William McKee, daughter of Mr. and Mrs. William Brackney was born in Auglaize County, Ohio, Nov. 28, 1844. She was educated

in the public schools, then served as teacher for eleven years. She served her profession with credit.

At the close of the Civil War she was united in marriage to Henry Ulry, a Civil War soldier. This union was soon broken by death.

In 1874 she became the wife of Rev. William McKee. Their new home was located in Dayton, Ohio, where Reverend McKee served for twenty-six years as treasurer of the Foreign Missionary Society of the entire church, and also treasurer for four years of all the benevolent interests of the church. He also served as pastor and presiding elder in Miami Conference. In all his labors Mrs. McKee was a loyal and capable helpmate. Along with her home duties, she served efficiently her local church, Euclid Avenue, as treasurer of the Ladies' Aid Society for twenty-five years. She was general steward for a time and filled other places of trust and honor.

She was a woman of unusual strength of mind and force of character, and was always interested in all matters of church and public concern.

Their two daughters died in infancy. The son, Ernest, became an active and successful business man. He died in 1926, leaving an only daughter, Ellen Louise, who lives in Iowa. Her step-daughter, Libby, married Dr. J. R. McCalla, of Dayton, Ohio. During her widowhood and declining years she was lovingly cared for by Mrs. McCalla and Ellen Louise.

Her Christian faith was secure and served her well in the years of suffering and failing physical health. At the close of her long and useful life, she anxiously passed to her eternal reward in her ninetieth year.

Two of our ministerial homes passed through the shadows of death during the year. Rev. and Mrs. Bevis lost their little daughter, Norma Ruth, and Rev. and Mrs. J. D. Nisewonder gave the parting farewell to their daughter, Mrs. Margaret Nisewonder Jones, July 11.

I. E. ZIMMERMAN, Committee.

Reports of Standing Committees

REPORT ON PUBLISHING INTERESTS

Our forefathers with keen insight one hundred years ago saw the wisdom of founding a printing establishment and publishing a church paper.

That church paper, "The Religious Telescope," is still a bond of union among United Brethren families.

The printing establishment, which for a century has been a source of funds for many general church interests, is now in financial difficulty. This crisis is due not to failure of the printing establishment, for even last year a good profit was earned, but rather is the result of overstrain in carrying the burden of an associated enterprise, the office building.

The situation is not hopeless. Under the splendid management of Dr. J. B. Showers we feel confident that a way out of this problem will be found. This is no time for criticism, but rather each of us, pastors, people, and stockholders, should feel the responsibility of cooperating with our publishing interests through purchases, prayers, and praise where praise is due.

So, let's pull together in Christian spirited cooperation, and, as Doctor Showers has put it, "We will come through."

J. B. HENRY.

THE CHRISTIAN SABBATH

God not only created man to live—but to live eternally. He not only prepared a place wherein man should dwell, while on earth, and find the answer to his human needs,—but, God ordained a time in which man could more definitely seek out and find the answer to the longings of his soul. For man to prepare to live eternally requires close and regular preparation or growth; and thus it is that God has seen fit to provide man with a day in which this may be done. This day is called the Christian Sabbath or the Lord's day. And when this day is allowed to become as the other days which man uses for the common needs of life, man fails wherein God intended for him to succeed. Let him who would stand throughout the countless ages of eternity ever keep holy and sacred this occasion or day and make it a blessing sent of God.

W. BRYAN GREEN.

REPORT OF COMMITTEE ON HOME MISSIONS AND CHURCH ERECTION

Many fields there are into which we as a church should go here in our homeland, into the city and into the less populated sections of our land. Opportunities are multiplying.

From within the bounds of our own Miami Conference there comes appeal after appeal for the encouragement and aid to which the Department of Home Missions and Church Erection stands committed.

These appeals would be answered, needs met, were the Department in a position financially to employ the men and aid in the erection of church buildings in these strategic places.

The Department of Home Missions and Church Erection has outlined a program for the year 1934-35. An envelope for each pastor has been filled with information concerning this program. Your committee requests that the suggestions for the carrying out of the same be prayerfully and diligently followed.

We especially call your attention to Home Mission Day, November 25.

Give the congregations an opportunity to make a liberal offering. Make use of the stereopticon lectures available from the department.

We express our appreciation of our recently crowned secretary, Dr. Russell Showers, in the management of and the progress made during

his service as secretary of Home Missions and Church Erection of our denomination. We extend our sympathy to his loved ones.

We pledge our cooperation and prayers for our newly appointed Secretary, Dr. V. O. Weidler.

Respectfully submitted,
E. S. COMREY.

REPORT OF COMMITTEE ON FOREIGN MISSIONS

"Go ye into all the world and preach the Gospel to every creature." Thus did Christ in these words give to the Church a divine task. In obedience to that command our denomination has entered into five foreign countries, West Africa, China, Japan, Porto Rico, and the Philippine Islands. This work is directed by fifty-six missionaries and three hundred fifteen native workers. One hundred twenty organized churches have been established on the mission fields, seventeen of which are self-supporting. There are also 2,473 stations in which the gospel is proclaimed. The communicant members total 14,663. There are one hundred seventy-eight Sunday-schools with an enrollment of 11,982 members. There are 111 day and boarding schools with an enrollment of 5,165. Our denomination maintains 11 hospitals and dispensaries which annually care for 70,000 to 80,000 patients.

Much has been accomplished in the past, but there is much yet to be done. Greater victories lie on ahead, but the decrease of benevolences has retarded the work. Not only has it been impossible to open new fields where the message of salvation has never been heard, but missionaries have been withheld from organized fields of labor.

It is of vital importance that each local church stress a missionary program during the coming year. The paying of a full benevolence quota should be one of our objectives. Missionary instruction in the Sunday school, distribution of literature, the use of stereopticon lectures, and the study of mission books, should be used to develop a missionary spirit in our churches. Doctor Ziegler urges the study of the following books for adults: "World Ties in the Far East," for young people, "Japanese Here and There," for leaders of children's groups, "Suzuki Looks at Japan." Each local church should undertake a mission study program during the month of February leading up to Mission Sunday, March 5.

Let us as pastors and laymen uphold the hands of the Foreign Mission Board, and of our comrades who are laboring in the mission fields—

"Till every kindred, tribe and tongue,
On this terrestrial ball;
Will hail the power of Jesus' name,
And crown Him Lord of All."

Respectfully submitted,
REV. HAROLD S. BROWN.

REPORT OF COMMITTEE ON MINISTERIAL PENSION

The Ministerial Pension and Annuity Plan of the United Brethren Church is a plan that has been carefully thought out. Other denominations have had pension plans that have been working for years. For a long time it was a source of regret that our church had no method of caring for its aged ministers except the small sums that were appropriated by annual conferences for ministerial relief. We needed a plan that would detract from no man's self respect.

There is no method of accomplishing this end, except for each minister, during his active years of service, to contribute to a fund that will provide for his maintenance in old age. The Ministerial Pension and Annuity Plan will provide for all of this. It only remains to provide the funds to work the plan.

We are grateful for what has been accomplished along this line. It ought to be a source of regret to each and every one of us that the financial and industrial conditions of the times have seriously interfered with the campaign for the gathering of funds. Some of us regret that we were so old when the plan first came to us that it made the annual rate of payment so high that our limited salaries would not allow us to take it up. Our younger ministers, and even those coming to middle age ought to go into the plan. For them it would probably be the cheapest insurance that they could find anywhere.

Any minister whose salary is large enough to pay the annual rates ought to take it up as a matter of loyalty to the church, as well as a benefit to himself. We pledge our influence and our financial support to the plan, and its managers, and will cooperate with every possible forward movement to gather funds for this worthy cause.

S. E. RASEY.

OTTERBEIN HOME

In these days of fear and uncertainty our Otterbein Home stands out as a lighthouse of faith built upon the rock. The history of this institution presents an inspiring record of faith and effort and the care of God. There have been struggle and growth and victory and great service.

This year the debt has been reduced by $106,000 and by the gift of Rev. and Mrs. Condo the completion of the projected Administration building is assured.

The task is unfinished. This home which has nurtured more than seven hundred children and sheltered three hundred aged must go on in an ever enlarging ministry. The debt must be reduced still more and the home must be maintained.

Every church must plan well ahead for a large part in the Christmas offering the one offering of the church to the Home each year.

We have resolved to give a minimum of $1 per member in this offering but we have not kept our resolution. Last year we paid only twenty-two cents per member. It is necessary that we increase this the coming year by at least one hundred per cent.

We will order supplies and organize for the offering early. We will plan and make faithful effort to reach every member of the church with the Dime Collecting Cards. We will have the new Otterbein Home playlets presented.

We will encourage Mr. and Mrs. Young with boxes of gifts and supplies aside from the cash offering. We will remember in our prayers and support, the officers and committees of the home, and will help to circulate "The Otterbein Home News" in the homes of our parishioners.

WM. P. CHANNON.

REPORT OF STEWARDSHIP SECRETARY

(Condensed—O. O. A.)

During the past year we made effort to secure the circulating and reading and study of "Share and Grow," a booklet from Bishop Cushman's book, "The Sharing Life." We emphasized and urged the observance of Stewardship Day the first Sunday of November.

A few Stewardship classes have been reported and every such class has been a marked spiritual uplift to the church where it was conducted.

For the coming year I urge (1) The purchase and use by men and women of the W. M. A. Stewardship Packet. (2) Use of the Stewardship Booklet by all Young People's Groups. (3) Reading and study in classes of "It Is to Share."

Christian Stewardship means (1) The paying of the tithe for Kingdom of God extension. (2) The sharing of the other nine-tenths for the good of all of our fellow men. (3) Living the fruit of the spirit, love, joy, peace, long suffering, kindness, gentleness, meekness, faithfulness and self control. (4) Living and working and praying and serving with the constant purpose to bring the Kingdom of God in heart and home and church and community and world.

I bespeak for my successor, Mr. O. A. Stutz, the hope that he may find in the promotion of Christian Stewardship, rich spiritual blessing such as it has been my privilege to enjoy.

MRS. M. W. MUMMA.

REPORT OF POLICY COMMITTEE

The Committee on Policy recommends the following:

I. Evangelism

1. That Evangelism, in keeping with the denominational program, have a major emphasis in all phases of our work during the year. In seeking to realize this, the following suggestions are offered as a guide:

(a) Pastors conduct a heart-to-heart discussion class with Sunday

school teachers and officers, and other workers, centered around a rethinking of our faith and the why of our being Christians.

(b) A study of the little book, "Handbook on Evangelism."

(c) An accurate and complete survey of the field for each church.

(d) Proper cultivation of the constituency rightfully belonging to our churches for spiritual guidance.

(e) An adequately and carefully planned program in the Sunday school and all other organizations by means of which the call of Christ will be laid upon the hearts of folk.

(f) A well planned program for giving instruction to all who are to be received into church fellowship, especially catechetical instruction for all the older Junior, the Intermediate and the Young People.

(g) Worship services that will help our people to forget the distracting cares of the week and get their hearts fixed upon the love of God as expressed to us in the gift of His Son, and will help and inspire them to loyal service to Christ and his kingdom.

II. Christian Education

1. We recommend that we adopt as our Conference Program of Christian Education the program presented by the Conference Board of Christian Education and adopted by the Conference Council of Administration.

We further recommend that we give special attention to the program for education in Stewardship and regular worshipful giving by children and young people as well as adults to the total program of the church.

We also urge that adequate provision be made for meaningful church worship services for children, young people and adults.

III. Finances

1. That we promote tithing and the consecration of life as the standard of Kingdom support.

2. That special recognition by way of commendable awards be given to the districts and through the district leaders to various churches in said districts making the best percentage showing on benevolence quotas during the conference year, and that these awards be presented to said districts and churches at a special service in the next annual conference sessions.

3. That, in view of the fact that a large percentage of our churches find it impossible under present financial stringencies to meet their benevolence quotas in full, the conference treasurer be authorized to designate as star (*) churches, all that pay fifty per cent to seventy-five per cent on their quotas each month, and that churches paying seventy-five per cent to one hundred per cent be designated double star (**) churches and one hundred per cent paid each month be designated as three (***) churches, the names of the three star (***) churches to be in bold type.

4. That the benevolence phase of our work, apart from which all else must fail or be indefinitely retarded, have our united and diligent consideration. Toward this, the following steps are suggested:

(a) An Every Member Canvass or some similar plan for getting our people informed about the living issues dependent upon our weekly contributions, and that an earnest effort be made in each church to have every member contribute regularly to the financial support of the church.

(b) Observance of the special periods designated by the General Conference for promotional purposes.

(c) Regular monthly remittance by every church to the Conference Treasurer as our standard.

(d) Aim toward a quarterly check-up with plans to bring every district to a goal above that of the previous year.

5. That we set ourselves to meet the goal of $5,750 for the Seminary, in the Seminary Cash Day offering, October 14.

6. That we also set a goal of at least five (5) cents per member for an offering on Education Day for Otterbein College, and that 20 per cent of this offering be set aside by the college as a student-aid fund to be used for students from Miami Conference.

IV. Pastoral Duties

1. That each pastor keep a record of church and Sunday school attendance and report each month to the district leader.

2. That each pastor in his annual statement to the statistical secretary report: (a) Only the exact amount of cash received on salary. If he has thrown off an amount of his salary contract, so designate. (b) An accurate account of contributing members. (Note: This is understood to include parents and their children under twenty-one years of age where the parents make the sole contribution.) (c) Total cash gifts and estimated value of materials given during the year to the Otterbein Home.

3. That our fall rallies be given due emphasis and the largest possible attendance of our workers be enlisted.

4. That each pastor keep abreast of the times by reading during the year at least one recent book on Evangelism, Religious Education, Stewardship, Missions, Social Service, and Church Administration, and that he read from at least one professional magazine each month.

5. That interest in general in Sunday school and Christian Endeavor work be stimulated by a plan to be determined by the Board of Christian Education and submitted to the district leaders at an early date.

6. That definite encouragement be given to the churches for subscriptions to the reading of our church literature, especially the Religious Telescope and Miami Messenger, and that plans for such be left to the Council of Administration, and Religious Telescope and Miami Messenger clubs be continued.

V. Plans for Promoting the Above Goals

Four phases of our policy program are considered herein, and the recommendations are for its fullest possible realization. In recognition of attainments and diligent efforts along the lines of Sunday School, Evangelism, Worship, Stewardship, and Benevolences, we recommend special honor be given the districts that make the best record this year in these phases of work as compared with their own records of last year, and that awards (as mentioned herewith) be presented to the district leaders who in turn will present same to the winning churches in their respective districts (as set forth below), and that an hour for this special service of recognition be fixed in the next annual conference session.

Education and Evangelism

Sunday School. That we seek to make our Sunday schools more effective by (1) enrolling and teaching the largest number possible; (2) winning the greatest number possible to Christ and the Church. The award to be fifty copies of "The New Hymnal for American Youth." Recognition as winner to be based on (1) average attendance as compared with that of last year; (2) number won to Christ and the church out of the Sunday school.

Example—Say the average Sunday school attendance for the district last year was 2,500 and that this year it should be 3,000. This would give a rating of 120 per cent. Then, suppose the number won to Christ and the church from the Sunday school last year was 200 and that this year it should be 250. This would give a rating of 125 per cent or a total rating of 245 per cent.

Worship

Worship Service and Spiritual Development. That we seek to interest as many of our people as possible in regular attendance at worship and in reading our literature. The award to be fifty copies of "The Sanctuary Hymnal." Recognition as winner to be based on (1) average attendance in worship services as compared with that of last year; (2) number of additional Telescope subscriptions above the number reported for last year.

Example—Say the average morning worship last year was 1,570, and this year it should be 1,650. The rating would be 105 per cent. Say the evening average last year was 932, and this year it should be 1,000. The rating would be 107.3 per cent. Then for every additional Telescope subscription above the number reported for last year there be given ten per cent. Now suppose the district realizes a total of twenty-five additional subscriptions. This would give a rating of 250 per cent, or a total rating for the district of 462.4 per cent.

Finance

Finance and Stewardship. That we seek to cultivate soul-enrichment and growth among our people by (1) diligently promoting the work of Stewardship as it will be set before us by our Stewardship Committee at the fall rallies; (2) larger and more systematic contributions monthly to our denominational interests represented in the benevolence budget.

The awards to be $60 and $40 respectively to the first and second districts making the best records as compared with that of last year, these in turn to be divided by the district leaders as follows, and presented to the three leading churches in their districts: $25, $20, and $15 to the leaders in the first district; $17, $13, and $10 to the leaders in the second district. We recommend that these awards next year be used by the churches as scholarship aids either to young people in Otterbein College or to assist young people in our summer training schools at Bonebrake Seminary or Westerville Camp.

Recognition as winners to be based on (1) percentage of the quota paid last year; (2) the amount paid this year as compared with the amount paid last year.

Example: Say the district paid 67.94 per cent of its quota last year. It has this percentage rating with which to begin. Then suppose it should pay one-fifth as much more this year. Its rating on same would be 120 per cent. This would give the district a total rating of 187.94 per cent.

Note: We recommend that churches be rated on the same basis of scoring with this additional percentage advantage—that where a church pays its monthly quota in full each month it be given five per cent, and that where a church pays 60 per cent of its quota for the month (as set forth in the policy) it be given three per cent. Thus any church can add 60 per cent or 36 per cent to its rating by making prompt payments monthly.

D. A. PUDERBAUGH, O. A. STUTZ, E. R. TURNER, Chairman.
